Curriculum Equivalencies

The following suggested course sequence includes all course requirements for this articulation agreement following admission to the College of Allied Health Sciences BS Respiratory Therapy (Online) program. You should consult with an academic advisor each semester to ensure you maintain appropriate degree progress and are fulfilling all requirements for the agreement. **Course sequencing below assumes a fall start date.** If starting the program during any other term, please consult with your academic advisor. **NOTE: Required coursework for the associate degree and credentials required for admission to the BS Respiratory Therapy (Online) program are not outlined here. Please consult your academic advisor at your first institution for those details.*

For details beyond course planning, please consult with your academic advisor or the Transfer & Transition Advising Center.

As a bachelor's completion program, students admitted into the program are certified to have completed their general education requirements. As part of the admissions process, all coursework fulfilled at non-regionally accredited institutions will have a general education review by an academic advisor. Students deficient in any general education areas (below) are required to fulfill those deficiencies within 1 year of acceptance. A student deficient in more than 5 areas will not be admitted to the program. If you receive a conditional acceptance and fail to complete the deficient coursework, you will not be permitted to graduate from the program. ***It is recommended students enroll in UC Online course sections as available (prior to transfer).*** If you have questions as to what courses may fulfill specific general education requirements, please consult a UC academic advisor.
