

# BS-MLS Curriculum Guide

## Semester 1

Clinical Fluid Analysis	2 hours
Principles of Molecular & Immun. Studies	3 hours
Special Topics in Medical Lab Science	2 hours

## Semester 2-5 (Rotating Didactic)

Principles of Immunohematology	3 hours
Advanced Immunohematology	4 hours
Statistics	2 hours

## Semester 2-5 (Rotating Didactic)

Hematology	3 hours
Advanced Hematology	4 hours
Hemostasis	1 hour

## Semester 7

MLS Laboratory Capstone	2 hours
Advanced Clinical Correlations	6 hours

## Semester 2-5 (Rotating Didactic)

Special Microbiology (Myco/Viro/Parasit)	3 hours
Clinical Microbiology	3 hours
Advanced Microbiology	3 hours

## Semester 2-5 (Rotating Didactic)

Clinical Chemistry	3 hours
Advanced Clinical Chemistry	3 hours
Adv. Clinical Molec. & Immun. Diagnostics	3 hours

## Semester 6

Advanced Clinical Practice	6 hours
Advanced Laboratory Concepts	2 hours
Laboratory Operations	2 hours

**Get Started**

*Note: Order of rotating didactic courses dependent upon student start date*
