- IT Certificates

University of CINCINNATI

Program Highlights

Supportive Faculty: With industry experienced instructors, you'll receive the support and guidance needed to succeed in Information Technology.

Start-to-Graduation Support: Every student enrolled online is assigned a dedicated team providing one-on-one support. They are your college partners who can help you manage your time and ensure you're meeting degree requirements to get you to graduation.

Flexible Scheduling: Offering part-time and full-time options with three start dates per year, our 100% online program is designed with busy, working professionals in mind.
