## **Master of Science in Behavior Analysis**

Required Application Document:  
Intent of Supervision Form

A requirement of the Master of Science in Behavior Analysis Program is on-site, local supervision by a Board Certified Behavior Analyst (BCBA) Supervisor (as outlined in the [BCBA Handbook](#)) at a minimum during two 15-week practicum courses. Upon acceptance into the program, a signed UC Practicum Supervision Contract will be required by both parties outlining practicum details and portfolio requirements. It is expected that students will complete all supervision hours and take the BCBA exam, but all supervision hours do not need to be completed prior to graduation.

**Applicant Name:**

**Supervisor Name:**

**Supervisor BCBA #:**

**Date Supervisor Met Supervision Requirements (see [Certificant Registry](#)):**
